

Clean, dry socks to warm soles...

Socks for the Homeless

Corporate Partner

Socks are one of the most needed and least donated items of clothing in homeless shelters

Please note that this year, the recipient organizations of the Socks for the Homeless program are unable to accept socks at their locations.

Instead, we are asking for financial donations, 100 percent of which will go towards purchasing socks with our corporate partner Giant Tiger, through an exclusive discounted, bulk purchasing arrangement we have in place.

The need is great and our goal this year is to donate 20,200 pairs by December 31. Please help by donating to one or more of the following organizations:

- Shepherds of Good Hope**
- The Ottawa Mission**
- Youth Services Bureau**

For information on how you can donate, please go to our website:
